

Thames Road, Crayford, Kent, DA1 4SB. Tel: +44 (0)1322-621700

Directions

By Road

Our office and factory complex is situated approximately 3.4 miles (5.5km) west of M25 junction 1a.

From M25 clockwise

Proceed across the Queen Elizabeth bridge and exit at junction 1a after the tool booths. Follow signs for Crossways and A206 Erith and Crayford.

From M25 anticlockwise

Exit at Junction 1a and follow directions A206 Erith and Crayford.

Proceed on A206 Bob Dunn Way passing under the Dartford-London railway and through the traffic lights. Texcel Technology is located on the right immediately prior to a traffic roundabout.

From Central London

Exit London via the A2 towards Kent. Junction M25 at junction 2 and proceed in an anticlockwise direction to junction 1a and follow the directions above.

By Rail

The nearest main line station is Dartford and Slade Green, which is served by trains from London Victoria, London Charing X, London Waterloo East, Cannon Street, and London Bridge stations. Taxis are available at Dartford station. The approximate journey time from Central London is 40 minutes.

By Air

London City

This is the nearest airport and is approximately 30 minutes by taxi. Alternatively, a rail link from London City is available. Take the Docklands Light Railway to Custom House and change for trains to Bank station. Exit at Bank station and take a short walk to Cannon Street Station. Approximate journey time by rail is 90 minutes.

London Heathrow and London Gatwick

Both airports provide rail links to central London where transfers can be made to the stations described above. Approximate journey time is 90 minutes.

London Stansted

Taxis are available, and the approximate journey time is 50 minutes.
